Buffalo Wings since 1964

## “THE REAL STORY”

On March 4th, 1964, Dominic Bellissimo was tending bar at the  
now famous Anchor Bar Restaurant in Buffalo, NY. Late that evening,  
a group of Dominic's friends arrived at the bar with ravenous appetites. Dominic  
asked his mother, Teresa, to prepare something for his friends to eat. They looked like  
chicken wings, a part of the chicken that usually went into the stock pot for soup.

Teresa had deep fried the wings and flavored them with a secret sauce. The wings  
were an instant hit and it didn't take long for people to flock to the bar to experience  
this new taste sensation. From that evening on, Buffalo Wings became a regular  
part of the menu at the Anchor Bar.

The phenomenon created in 1964 by Teresa Bellissimo has spread across  
the globe. Although many have tried to duplicate Buffalo Wings, the closely  
guarded secret recipe is what makes Frank & Teresa's the proclaimed  
“Best Wings in the World.”
